

NORMAL: HOW THE NAZIS NORMALIZED THE UNSPEAKABLE

PRESENTATION AND BOOK SIGNING

Wednesday APRIL 29

7pm

Lee Auditorium

FREE

NORMAL

How the Nazis Normalized the Unspeakable

Presentation and Book Signing

Dan Lenchner collects found photographs—photographs of families, friendships, and the mundane details of daily life. They are the typical photographs that you would find in any family, except that these are photos of Nazis. Join Lenchner as he discusses the stories these photographs tell about the banality of evil and signs copies of his book, ***Normal: How the Nazis Normalized the Unspeakable***.
