

Presented in collaboration with the

# RAINBOW ROAD

## The LGBT Community on Route 66

Missouri History Museum collections

What was the LGBT experience on Route 66? Join us for an evening of short presentations covering topics ranging from gay motorcyclists, to the Damron and Lavender guides for LGBT travelers, to Liberace's performances at the Chase Park Plaza. Using photos, archival documents, and personal stories, the presenters will offer a picture of what it was like to be on the road and in (or out of) the closet in the mid-20th century.

Known as the Mother Road and the Main Street of America, Route 66 plays an important role in American history. But the famous road also has a story to tell about the St. Louis area and how it has changed. In *Route 66: Main Street Through St. Louis* we explore the local history of this world-famous highway.
